Instruction

After spending fruitless time this morning trying to locate a PDF copy of the user manual for the Starbucks (Saeco) Barista Espresso Machine I finally decided to locate my original manual. Below is a PDF of my original user manual, or “operating instructions” as printed on the original manual cover.

Remove the center brew head screw and pull the screen away from the brew head.

Wash the brew head with a brush to remove any coffee grounds.

When you put the brew head back in its

original place, make sure it's correctly in place or the machine will become damaged when you brew your next espresso.
